Grant Application Information

The Selkirk Association of REALTORS® is a non-profit organization whose membership comprises REALTORS®, appraisers, and other businesses affiliated with the real estate profession. Our grant funds are raised among our members through Association fundraising events. Our Association seeks, throughout the year, ways that we may assist with selected community projects and programs in Bonner and Boundary Counties including opportunities for volunteering.

Your application for funds will be judged on the following criteria:

- Are you a non-profit or profit organization?
- How does your organization raise its operating funds?
- How many and what type of people will your project benefit?
- **How much are you requesting? How will the funds be spent?**
(We normally do not fund general operations.)

All applications will be reviewed by the Grant Committee of the Association, with recommendations going to the Board of Directors for final approval.

Although we cannot guarantee how many dollars we will have for grants each year, we do encourage you to submit an application for your worthy project. Please be specific in your request. Deadline for submission of applications is Friday, April 15, 2022.

Please send applications to:

Selkirk Association of REALTORS®
325 S Marion
Sandpoint, ID83864
(208) 263-2153 FAX
susan@selkirkaor.com

(If emailing, you must call 265-2227 to confirm your application was received. Thank you!)
